Dear Mr. Weisberg,

After listening to you on Jack McKinney's program on WEAL, I was so impressed by your knowledge and sincerity, of your convictions concerning the dubious value of the Warren Report that I had to read your book plus the ones written by Mark Lane and Edward Epstein. I was so much impressed by the works of the critics that I wished that the critics had written the Warren Report — they would have reduced the uncertainties and contradictions by at least 99% and quite possibly would have arrived at the true facts of the case.

I would like you to send me the address of the place where I can get the 26 volumes of the Exhibits + Hearings — also plus the price.

Someone said you are publishing a new book in a few weeks, and if this is so, I will be eagerly waiting for its release.

I remain

Sincerely
Glen Myers

(P.S. Turn OVER)

I understand I will also need Sylvia Meagher's book for the last eleven volumes. When she appeared on Jack McKinney's program, I took down her address, but I have misplaced it since. If you know her address also, I would like to recieve it.
